

safety

calm,
sparkling resonance.
Contentness.

Feeling protected
when people appreciate me,
beyond failure or success.

Hugs.
Feeling loved.

When I love myself and am in good terms with my body.

Wanting to share.
Close friends that know 100% of me,
but I don't need to hide or change.
Surrounded.

Optimism,
softening tissue,
family,
dancing free.

Good food,
abundance,
yoga,
feeling confident.

Sparkling, relaxing,
my smile, my room,
overflowing with love.

Being with my boyfriend,
being at ease.

Comfort, secure, my bed,
beyond ego:

Zuversicht.
